Wutcharin Thatan

EXECUTIVE LEADER · AI · AUTOMATION · ANALYTICS

Bangkok, Thailand · (+66) 061-565-5969 · wutcharin.th@gmail.com · linkedin.com/in/wutcharin · wutcharin.com

"Transforming businesses through AI-powered automation, advanced analytics, and intelligent data solutions."

EXECUTIVE PROFILE

Executive leader with nearly 20 years of experience (10+ years in people management), combining Business Strategy and Technical Execution.

A hands-on builder who has managed **50+ data professionals**, deployed **20+ AI agents**, and generated **15,000+ hours** in annual efficiency. Specialized in scaling high-performing AI, Automation, and Analytics functions, and expert at bridging Finance, Engineering, and Commercial strategy — having secured more than **200M THB** in capital via data-driven planning across hyper-growth Tech (Agoda) and Aviation sectors.

KEY COMPETENCIES & TECHNICAL SKILLS

LEADERSHIP	Corporate Data Strategy, AI Roadmaps, C-Suite Advisory, Venture Fundraising, Crisis Management, Corporate Turnarounds, Team Building, **AI-Driven Rapid Prototyping** (translating business requirements into functional MVPs and productization).
AI & DEV	Generative AI (Gemini, Claude), **RAG Architectures**, AI Agents (**Text-to-SQL, Market Research, Deep-Dive Analysis, Personalized Onboarding, OCR, Unstructured-to-Structured Data**), React, Node.js, Python, n8n, Firebase, LangGraph.
ANALYTICS	SQL, Tableau, Metabase, Superset, **Predictive Modeling** (Time Series, Regression, Classification, Clustering), ETL Pipelines, Financial Variance Analysis.

PROFESSIONAL EXPERIENCE

Associate Director — FinTech Data & Automation

Apr 2024 — Present

Agoda · Bangkok · Global Travel Tech

- **Strategic Leadership:** Lead the FinTech Data & Automation (FDA) division — a **12-person Analytics Engineering team** across three pillars: **Analytics, AI, and Automation**. Drive operational efficiency across Finance Operations & Controlling (Accounting, Payin, Payout, Credit Risk, Collections), Treasury, Tax, and Financial Planning & Analysis.
- **Impact:** Delivered **15,000+ hours** in annual productivity gain via targeted automation and data-driven process improvement, materially reducing manual workload in financial reconciliation.
- **AI Vision:** Defined and executed the long-term AI, Automation, and Analytics roadmap for FinTech — shipping production AI agents (RAG, Text-to-SQL) and championing self-service BI to embed a data-first culture in Finance.
- **Insight:** Orchestrated deep-dive variance analysis across financial statements and operational data, surfacing revenue and cost drivers to senior leadership.

Head of Commercial

Apr 2023 — Feb 2024

Really Cool Airlines · Bangkok · Airline Startup

- **Regulatory Success:** Led development of the comprehensive Airline Business Plan, successfully securing the **Air Operating License (AOL)** from the Civil Aviation Authority of Thailand (CAAT).
- **Startup Launch:** Built and mentored a high-performing commercial division of **11 professionals** across **6 teams** (Network Planning, Revenue Management, Marketing, and others).
- **Global Representation:** Represented the airline on the global stage at **Routes World Istanbul**; featured in industry press (Aviation Week — Really Cool Airlines launch plans).
- **Commercial Operations:** Led major commercial contract negotiations and secured strategic landing slots at BKK and key airports in Japan.
- **Fundraising:** Secured **200M THB** in seed funding via fleet and schedule planning insight. *(Venture later concluded due to external aircraft supply constraints.)*

Head of Strategic Foresight & Planning

Apr 2022 — Mar 2023

Thairath Group · Bangkok · Thai Media Conglomerate

- **C-Suite Advisory:** Reported directly to C-level executives, providing strategic guidance across the group ecosystem — **Thairath TV, Thairath Online, Thairath Logistics, and Everpink**.
- **Strategic Initiatives:** Led the establishment of new business units for online content rights and news verticals; deep-dive analytics on content performance to identify revenue opportunities.
- **Transformation:** Managed a team of PMOs and led a data-driven culture program, implementing KPI frameworks and analytics systems that unified strategic priorities across diverse business units.

PROFESSIONAL EXPERIENCE (CONTINUED)

Associate Director — Supply Analytics
Nov 2017 — Apr 2022

Agoda · Bangkok · Global Travel Tech

Progression: Senior Opportunity Manager (2017) → Head of Analytics (2019) → Associate Director (2021)

- **Strategic Alignment:** Partnered with Senior Leadership (HQ, Regional Directors, Country Heads) across the Supply/Accommodation organization to align targets and opportunities; delivered analytics and insight to drive Go-to-Market strategy.
- **Program Optimization:** Directed analytics for major partner programs focused on **visibility, supply availability, and pricing**, driving significant incremental business for hotel partners and Agoda.
- **Risk Management:** Engineered end-to-end risk frameworks for key commercial initiatives (e.g., Prepaid Programs) — **ROI analysis, exposure monitoring, Expected Loss models**, alerting, remediation, and collections.
- **Scale:** Oversaw the design and rollout of a self-service analytics ecosystem — **100+ Tableau dashboards** serving **600+ users**.

Planning Director
Oct 2016 — Nov 2017

Nok Air · Bangkok · Low-Cost Airline

- **Corporate Turnaround:** Co-architected a successful corporate turnaround using analytical models that increased aircraft utilization by **15%**; led route network planning, financial modeling, and competitive analysis for multi-year strategic plans.
- **Capital Secured:** Developed and presented the turnaround strategy multiple times to the Board, Shareholders, and Investors — securing multiple rounds of funding totaling over **4 Billion THB**.

Strategy & Planning Manager
Nov 2015 — Sep 2016

Thai Smile Airways · Bangkok · Regional Airline

- **Network Strategy:** Led a team of **8** on network optimization, route expansion, and strategic planning; monitored KPIs and delivered recommendations to senior leadership.
- **Relations:** Built and maintained critical relationships with aviation authorities and government bodies to secure vital operating permits and slots.

Commercial Management Trainee / Senior Supervisor · Thai Airways, Bangkok — Jan 2008 — Nov 2015

Selected via rigorous internal process (from Cabin Crew) for the Commercial Management Trainee Program grooming future Country Managers. Rotated through commercial functions, supporting the CEO's Advisor on route profitability, network connectivity, and competitive market analysis.

Junior Consultant · DST International (Thailand), Bangkok — Apr 2007 — Jan 2008

FinTech consulting — financial modeling and client training.

Junior Analyst · Prudent Siam Securities, Bangkok — Jun 2006 — Mar 2007

Financial analysis and corporate valuation.
